Subject: SCE&G DER Hearing - Request to Excuse Witness Wilson

David,

I am writing on behalf of South Carolina Coastal Conservation League (CCL) and Southern Alliance for Clean Energy (SACE) to request that one of their witnesses, John D. Wilson, be excused from testifying at the June 2, 2015 hearing in SC PSC docket 2015-54-E. CCL and SACE participated in the Settlement Agreement filed on Tuesday by Office of Regulatory Staff, John's testimony was narrowly focused, and John would have to travel from out of state to attend the hearing. Additionally, excusing John from the hearing will allow him to attend an important medical appointment for one of his children on June 2.

CCL and SACE's other witness, Hamilton Davis, intends to be present at the hearing. And we would submit an Affidavit to verify Mr. Wilson's pre-filed written testimony.

Please let us know if this is acceptable to the Commission or if there is anything further you need from us.

Thank you,

Blan
